## A MESSAGE FROM PASTOR AZZAM

Dear Brothers and Sisters in Christ,

Last month I shared with you that I had received a divine call from St. John's in Pickerel Wisconsin. I also indicated that it meant that I was considering two calls...my current call at Trinity and this new one. After much prayer and advice from family and those whose opinions I respect within the greater church and having listened to your overwhelming response...Thank you so much for all your kind words of encouragement and your prayers on our behalf. As a result, I have decided to continue serving at Trinity as I announced, Sunday, April 8.

When I returned the call to Pickerel I communicated some of my concerns about it to the powers that be in the North Wisconsin District regarding the whole process of how this was communicated to me. As I think about it, we all, myself included, could do a better job at communication. The scriptures even address that there is a time for speaking and a time for silence under heaven. (Ecclesiastes 3:7) When we give our offering, or when we help the poor, the Lord suggests that we not allow our right hand to know what our left hand is doing. (Matthew 6:3). In the assembly of believers, when we worship St. Paul suggests that we speak to one another in psalms, hymns, and spiritual songs. (Ephesians 5:19) When it came to conveying the knowledge of the Resurrection, St. Paul explained to the Thessalonians that he did not want them to be ignorant, or uninformed about those who have fallen asleep (*have died*). (1Thessalonians 4:13) And finally, when St. Paul was organizing a collection for the persecuted saints in Jerusalem, he did not hesitate in sending word ahead of his arrival that he expected to pick up the collection on his way. In fact, many of St. Paul's letters were circular in nature, that is to say, they were to be carried from congregation to congregation in a particular community...the letter to the Galatians was a good example of this.

Problems occur when within congregations one group does not know what the other group is doing. I was certain that I was never going to hear from St. Johns in Pickerel when they informed me that I was on their list. The day of their call meeting came and went. Three weeks later when I actually received notification they had chosen me, I learned that their planned meeting day had to be postponed, since they had not communicated with the proper district officials regarding their intentions.

Moving forward I am going to attempt to do a better job at communicating what I am doing and thinking. I hope that you, as members, either personally or on boards do the same. How beautiful it is when a congregation acts in concert and in harmony with each other. (Psalm 133:1-2) If you are planning to be out of town for a period of time and will be missing church, let someone know. If your committee is working on a project, keep the council informed as to your goals and progress. If you plan to have an operation or are ill and would like prayers, please inform me. If you have agreed to a task that would be easier done with help, ask for help, set a time, and allow others to pitch in. These may be simple things, but they go a long way in building up the body of Christ for service in his mission and ministry here.

I look forward to continuing my service among you at Trinity.

In Christ,

Rev. Timothy Azzam

**JOURNEY FROM UNBELIEF TO FAITH begins April 29, on Sundays at 9:15 am.**

By: [Rev. Dr. John Nunes](#)

The passage from unbelief or antagonism toward God to faith in Christ as Lord and Savior is a road that's different for each person. Follow the stories of four individuals from widely dissimilar pasts that arrived at the same conviction: Jesus Christ is Lord and Savior and because He is, they must tell others about it.

**THANK YOU TO ALL** who

brought food for F.I.S.H. during Lent. 3 car trunk loads were collected this year. Remember, we collect food year around and people in the Oscoda area are hungry year around. God Bless you all. *Kathy Azzam*

“For the ministry of this service is not only supplying the needs of the saints, but is also overflowing in many thanksgivings to God.” *2 Corinthians 9:12*

### **God's Word**

Blessings abound when we read God's Word,  
 In our mind it's the place for Him to be heard,  
 He speaks of His Love and we hear of His wrath,  
 He tells us the way, if we follow the path,  
 Never ceasing to guide us as we go through life,  
 Always loving and leading through sorrow and strife,  
 His Wisdom and way are clearly defined,  
 The pages are full of those who declined,  
 To hear Him and heed Him and go their own way,  
 And in their own wisdom found death and decay.

In the silence we hear him as He speaks to us there,  
 Just Him and ourselves the ultimate pair,  
 For we seek him and find him one on one,  
 In the end it's the way salvation is won,  
 And in eternity we find His Grace,  
 And finally meet Him face to face,  
 If we live our lives and find our place,  
 In the things God has told us to do and to don't,  
 Living to please Him certainly won't,  
 There's only one way for salvation to be won,  
 And it's found in Lord Jesus – His only Son,  
 Who died on the cross and took our place,  
 And bought us in heaven a wonderful space,  
 To live there eternally in the place He prepared,  
 The price of admission He paid for us to be spared,  
 And live in heaven with the heavenly host,  
 The Father, Son and Holy Ghost!

## BABY BOTTLE BONANZA FUND RAISER

Beginning on Mother's Day, May 13, you will see a basket of empty baby bottles in the Fellowship Hall or Entry. Please take one home to fill with your loose change (or bills - or checks!) and return it by Father's Day on June 17.

The **Harbor Lights Pregnancy and Information Center** in E. Tawas needs your help and will be very grateful for any contribution you can make. All services of the Center are free to the clients served, both Mothers and Fathers, and it is supported entirely by contributions from friends and supporters in the community. It is fitting that we use this time between two important holidays to assist Harbor Lights in providing education and supplies to young parents and families in our community. A representative from the Center will come to Trinity this month to give you more information about the mission of Harbor Lights Center.

Harbor Lights hopes also to build a strong base of support through regular, pledged contributions so that it can make plans based on a known, projected budget. If you wish to be a regular supporter of the Center, you can do so by going to the website, [www.hlpregcenter.org](http://www.hlpregcenter.org). Click on "Pledge of Support" and follow the instructions. The mailing address is 310 Newman St., E. Tawas, MI, 48730. For more information on making your contribution automatic through your bank, call the Center at 989-305-6308. Hours are Wednesday and Thursday, 9:00 AM to 5:00 PM. You are welcome to stop in for a tour at 310 Newman St., just a few doors east of the Post Office. Thrivent members: remember that you can allocate your Choice Dollars to the Harbor Lights Pregnancy and Information Center.

Volunteers at the Center are also desperately needed. If you can spare a few hours of your time once a week to help, please call the Center, stop in during the hours listed above, or speak to Miriam Kuhlmann. It's rewarding work saving babies!

# STEWARDSHIP

## Giving During Worship

During the worship service, there is time set aside for us to give a portion of our money to God through the church. How do you view the time allowed for the offering? Do you see the time given to the collection of the money as an integral part of worshipping God or is it simply an intermission between the sermon and the closing of the service? When you give your money during the collection, does your monetary gift properly reflect gratitude and thanksgiving for all of God's gifts to you? Does your giving reflect your trust in the Lord?

Our giving should and must be considered an important part of honoring and worshipping our Lord. As Christians, when we acknowledge that God is the creator and owner of all, we start acting as caretakers of the money that God has entrusted to us rather than owners. We respond to God's gifts of creation and redemption by giving our money and ourselves. The offering of our tithes and offering during the collection is an important part of our worship. Giving puts our love, trust, and gratitude into action.

The Apostle Paul wrote the following verses to the Corinthian Church about the giving of the Macedonians to the needy church in Jerusalem: *"For they gave according to their means, as I can testify, and beyond their means...and this, not as we expected, but they gave themselves first to the Lord and then by the will of God to us"* (2 Corinthians 8:3-5). They gave generously because they first gave themselves. Their gift of money was an extension of what they were. In a significant way, our money represents who we are, also, because of all the time and energy we spend in accumulating it. When we give, we should think of ourselves as personally crawling into the offering plate. As Christians, we know that, when we give, we are only returning to God what He has already given to us.

From the blessings we receive from God, He bestows us with the capacity to give generously from those blessings. *"And God is able to make all grace abound to you, so that having all sufficiency in all things at all times, you may abound in every good work"* (2 Corinthians 9:8).

In our worship services, we give God our adoration and praise, and, during the offering, we worship Him through the giving of our money. May God grant us faithful hearts so that we give Him our first and best.
