

Trinity Lutheran Church Flood Bucket Mission Project

Trinity Lutheran Church in Oscoda and Thrivent Financial are sponsoring a flood bucket mission project for LERT (Lutheran Early Response Team). We will fill 5-gallon plastic buckets with cleaning supplies. Donations of the following items are needed: paper towels, Comet cleanser, Pine Sol, bleach (1-gallon size), window cleaner, Handi Wipes, sponges, scrub brush, and rubber gloves. Thrivent Financial will provide the 5-gallon buckets with lids. We will be accepting cash donations to fill the buckets if you prefer. Flood buckets will be filled on August 16th at 12:00 noon in the church parking lot – weather permitting. Lots of volunteers are needed.
